

# tetra

by Grapevine Visual Concepts

Your success  
is only limited by your imagination.

- NO TOOLS needed for a quick and easy set-up
- Add as many or as little panels as you need to fill your exhibit space
- Magnetized panels allow for removeable graphics
- Workstations support video monitors and shelving
- Brilliant graphics with a matte or glossy finish  
Packs in easy transportable case

Take a Closer Look  
We are more than just exhibits.
